FAN GUIDANCE
START OF THE 2022 BETFRED SUPER LEAGUE SEASON
AT THE TOTALLY WICKED STADIUM

WHAT IS THE CURRENT SITUATION?

Following the Government's announcement to introduce 'Plan B' measures to limit the spread of the new Omicron variant of coronavirus, new rules on attending matches in England have been introduced from 15 December 2021.

These measures will be in place until further notice.

All supporters aged 18 and over, including those in hospitality, must take **three key steps** before attending a match at the Totally Wicked Stadium...

TO^Tally Wicked[®]
STADIUM

WHAT DO I NEED TO DO?

1. Bring a COVID Pass to each match to show proof of double vaccination against Covid-19 or a negative lateral flow test within 48 hours of the game. This a legal requirement from 15 December 2021.
2. Complete a short Health Declaration before you attend the match to confirm your COVID status. This only needs to be done ONCE for Members attending home matches but is required for each match for single match ticket purchasers. This must be filled in prior to matchday itself.
3. Do not travel if you feel unwell and/or are displaying any symptoms of COVID.

HOW DO I GET MY COVID PASS?

You can download your COVID Pass via the NHS app which can be accessed via your Smart Phone.

If you are going to show your COVID Pass via a smartphone, save it 'offline' by downloading it to your Apply Pay or Google Wallet. This will avoid any connectivity problems at the ground.

Click here for guidance on how to obtain your COVID PASS visit this link - <https://www.nhs.uk/conditions/coronavirus-covid-19/>

IMPORTANT FAQs

I have not been vaccinated; can I still attend?

Yes, but you will be required to have a negative lateral flow test and obtain a COVID Pass.

What if I am exempt?

If you are medically exempt, we recommend calling NHS 119 to obtain an official COVID Pass. This can take a little time, so please obtain this well in advance of matchday if you are medically exempt, please alert the steward on arrival.

I have had my first jab, does that count?

No, to be considered fully vaccinated you must have had at least both doses. If you have only had your first one, then you must obtain a negative lateral flow test.

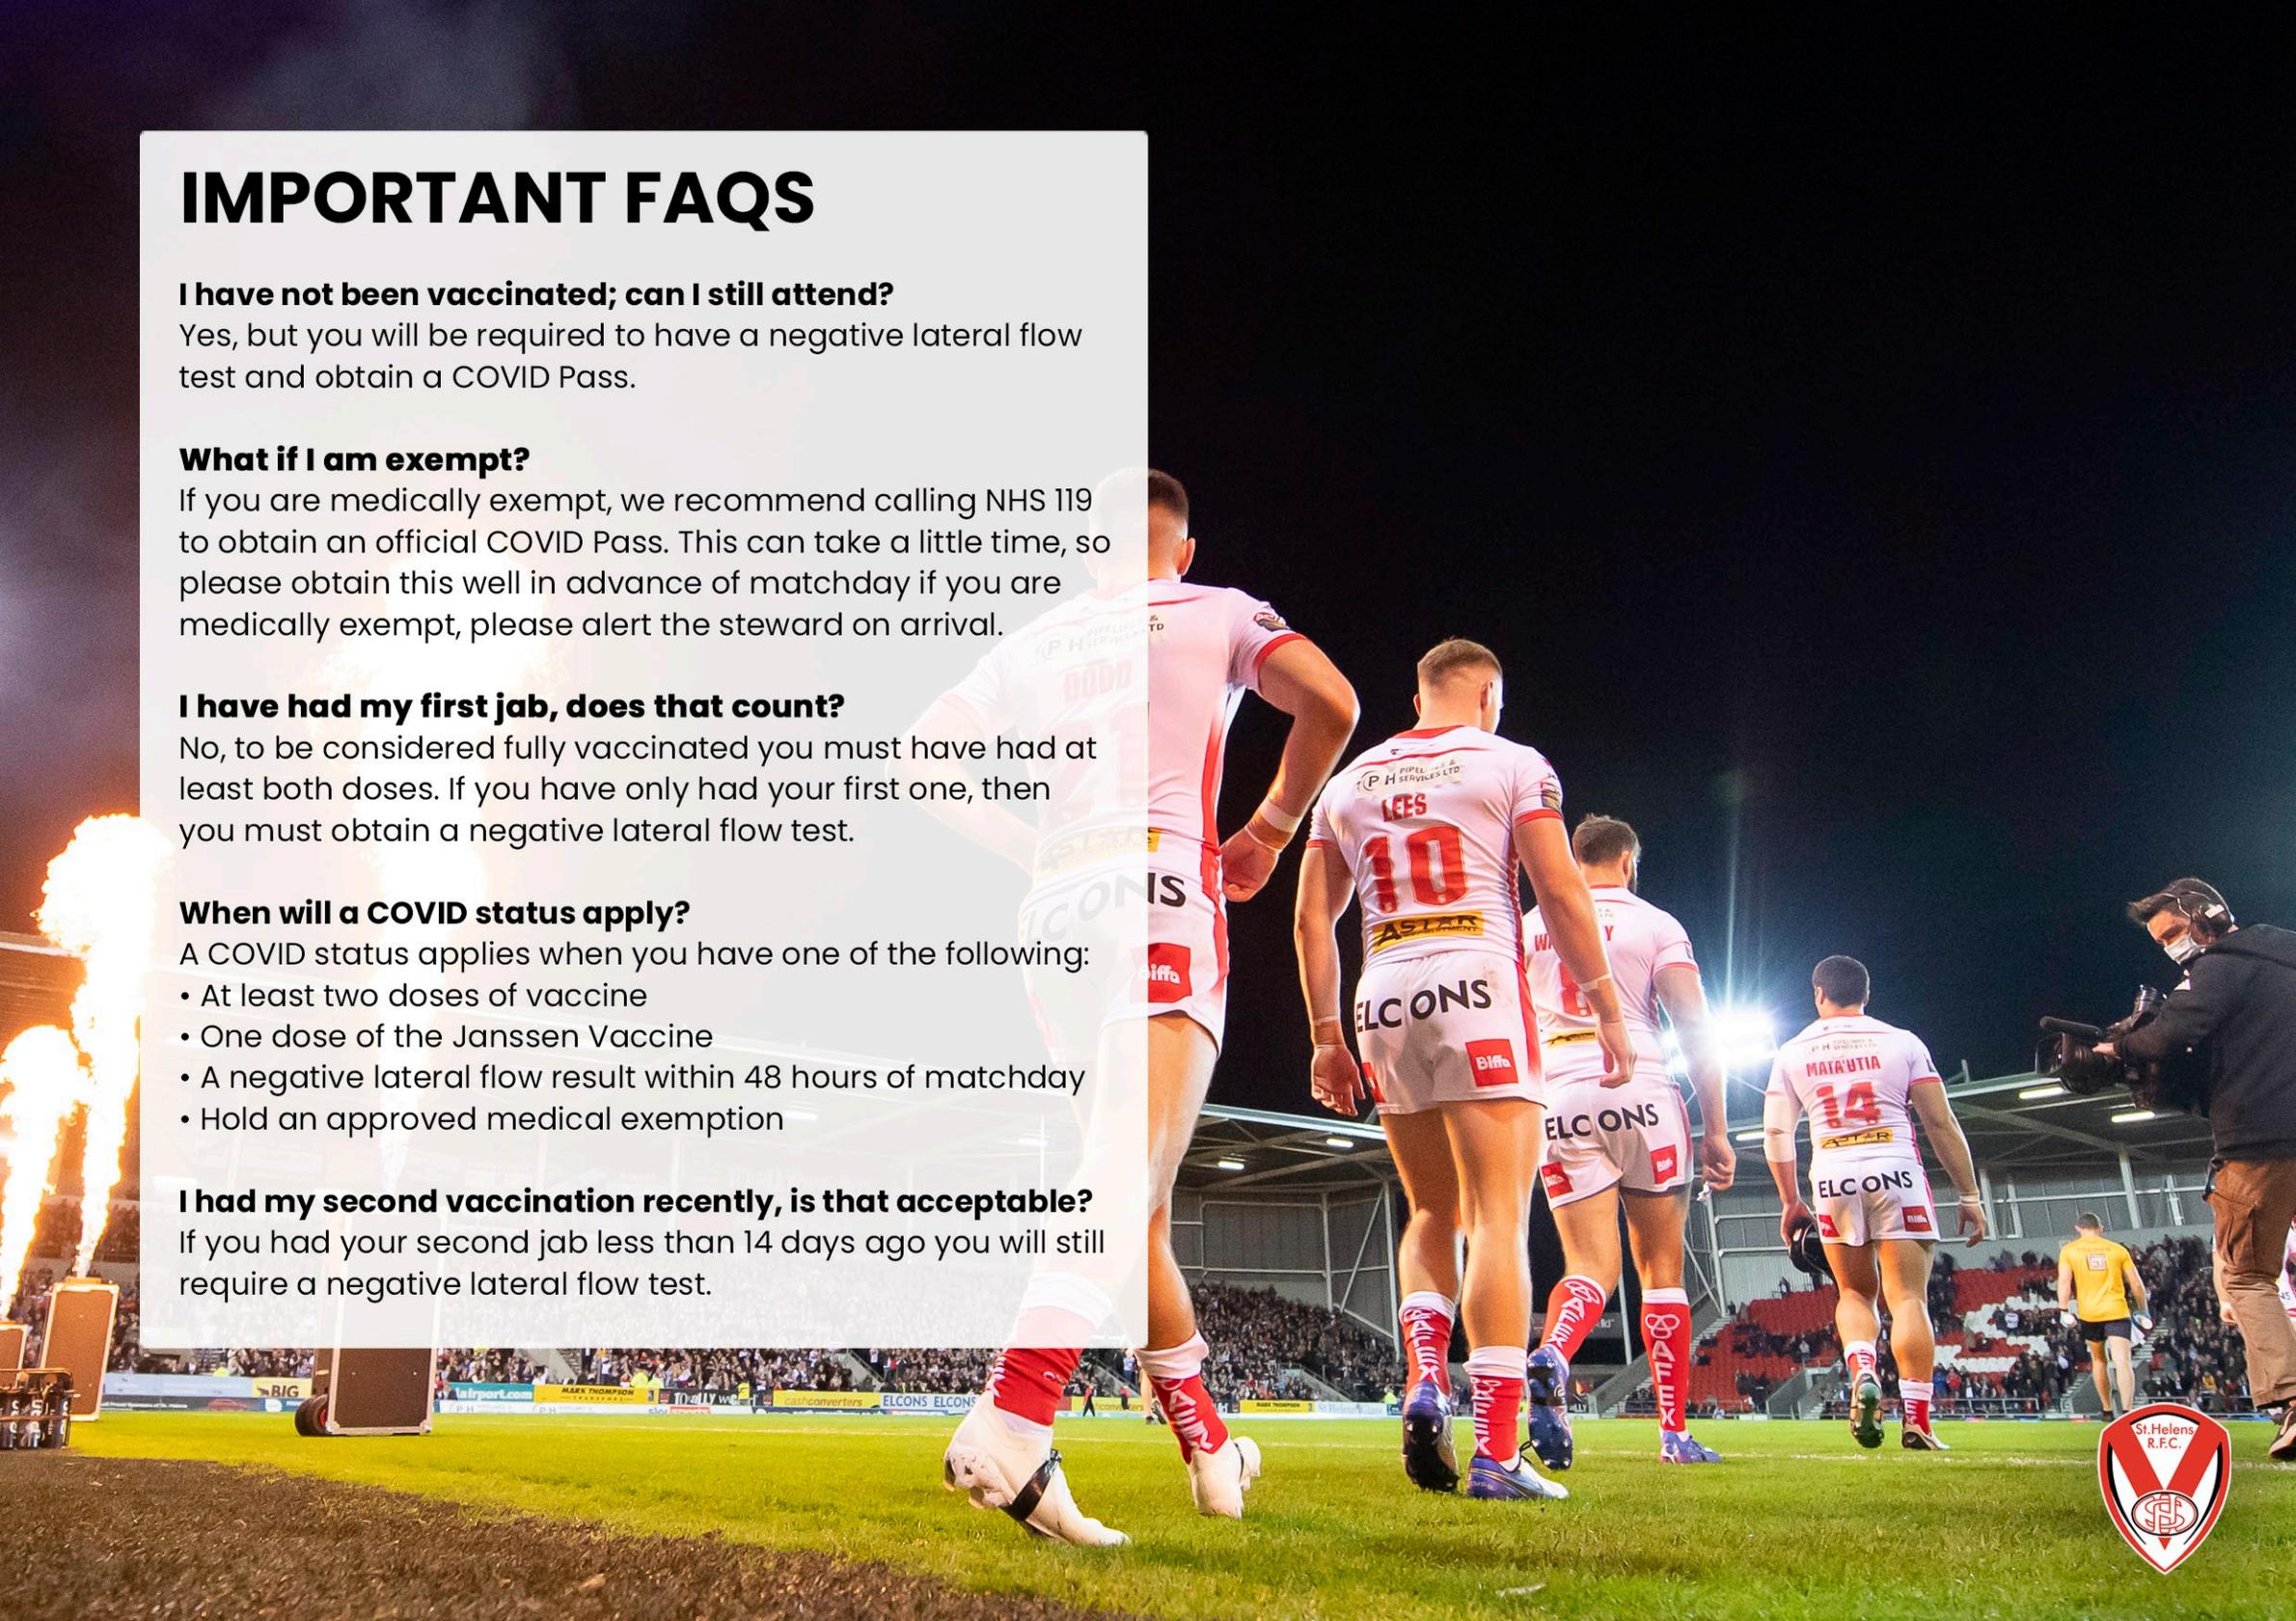

When will a COVID status apply?

A COVID status applies when you have one of the following:

- At least two doses of vaccine
- One dose of the Janssen Vaccine
- A negative lateral flow result within 48 hours of matchday
- Hold an approved medical exemption

I had my second vaccination recently, is that acceptable?

If you had your second jab less than 14 days ago you will still require a negative lateral flow test.

FAQS CONTINUED

What about EU COVID Passes?

We will accept EU Digital COVID certificate providing the holder is able to also show ID.

Why do I need to pre-register my declaration? Why can't I just show up with my COVID Pass?

It is important for everyone's safety that you confirm your COVID status before you arrive. This is a requirement in addition to being able to show a valid NHS COVID Pass or negative NHS COVID test result.

Will I need to complete declaration for every match?

If you are Season Member you will only need to complete this once. Match Ticket purchasers will need to complete this for each match they attend.

What happens if I do not bring a valid COVID Pass?

Unfortunately, without a valid COVID Pass you will not be permitted to enter the Totally Wicked Stadium.

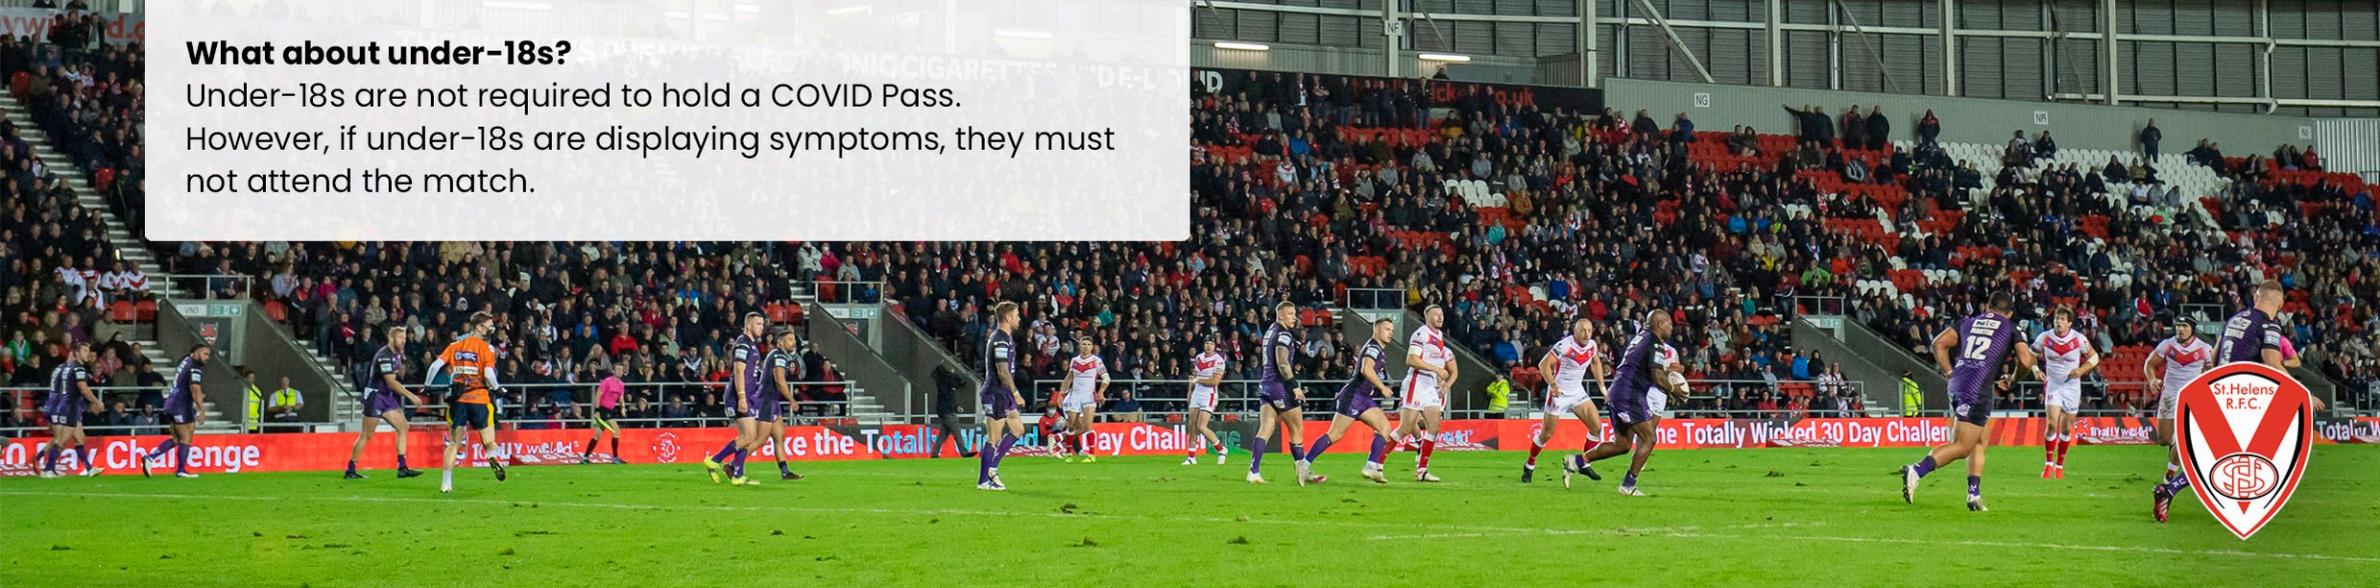

What about under-18s?

Under-18s are not required to hold a COVID Pass. However, if under-18s are displaying symptoms, they must not attend the match.

DO I NEED TO WEAR A FACE COVERING?

Face coverings are required in all indoor areas and concourses except when eating or drinking.

We recommend wearing them when in the seating bowl, but it is not a legal requirement.

FAQS CONTINUED

Where can I get a lateral flow test?

List current advice or add link to current advice here - <https://www.sthelens.gov.uk/coronavirus/covid-19-testing/>

How soon before a match can I take a lateral flow?

To gain entry a lateral negative flow test result must be obtained within 48 hours of the match, although we recommend this is done within 12 hours.

Someone in my household has tested positive. Can I still attend the match?

For self-isolation rules please follow government guidelines here - <https://www.sthelens.gov.uk/coronavirus>

Do I need to be triple jabbed?

You do not need to be triple jabbed to gain entry, however it is recommended by the NHS that all adults book the booster jab. You can book an appointment on line via the NHS

What if I am booking as part of a group?

If you are the lead Booker you must take responsibility to ensure that all those attending hold a valid COVID Pass or will take a lateral flow within 48 hours of the match. You can sign the declaration on their behalf, but you need to ensure they are aware that failure to provide proof on the day will result in them being denied entry.

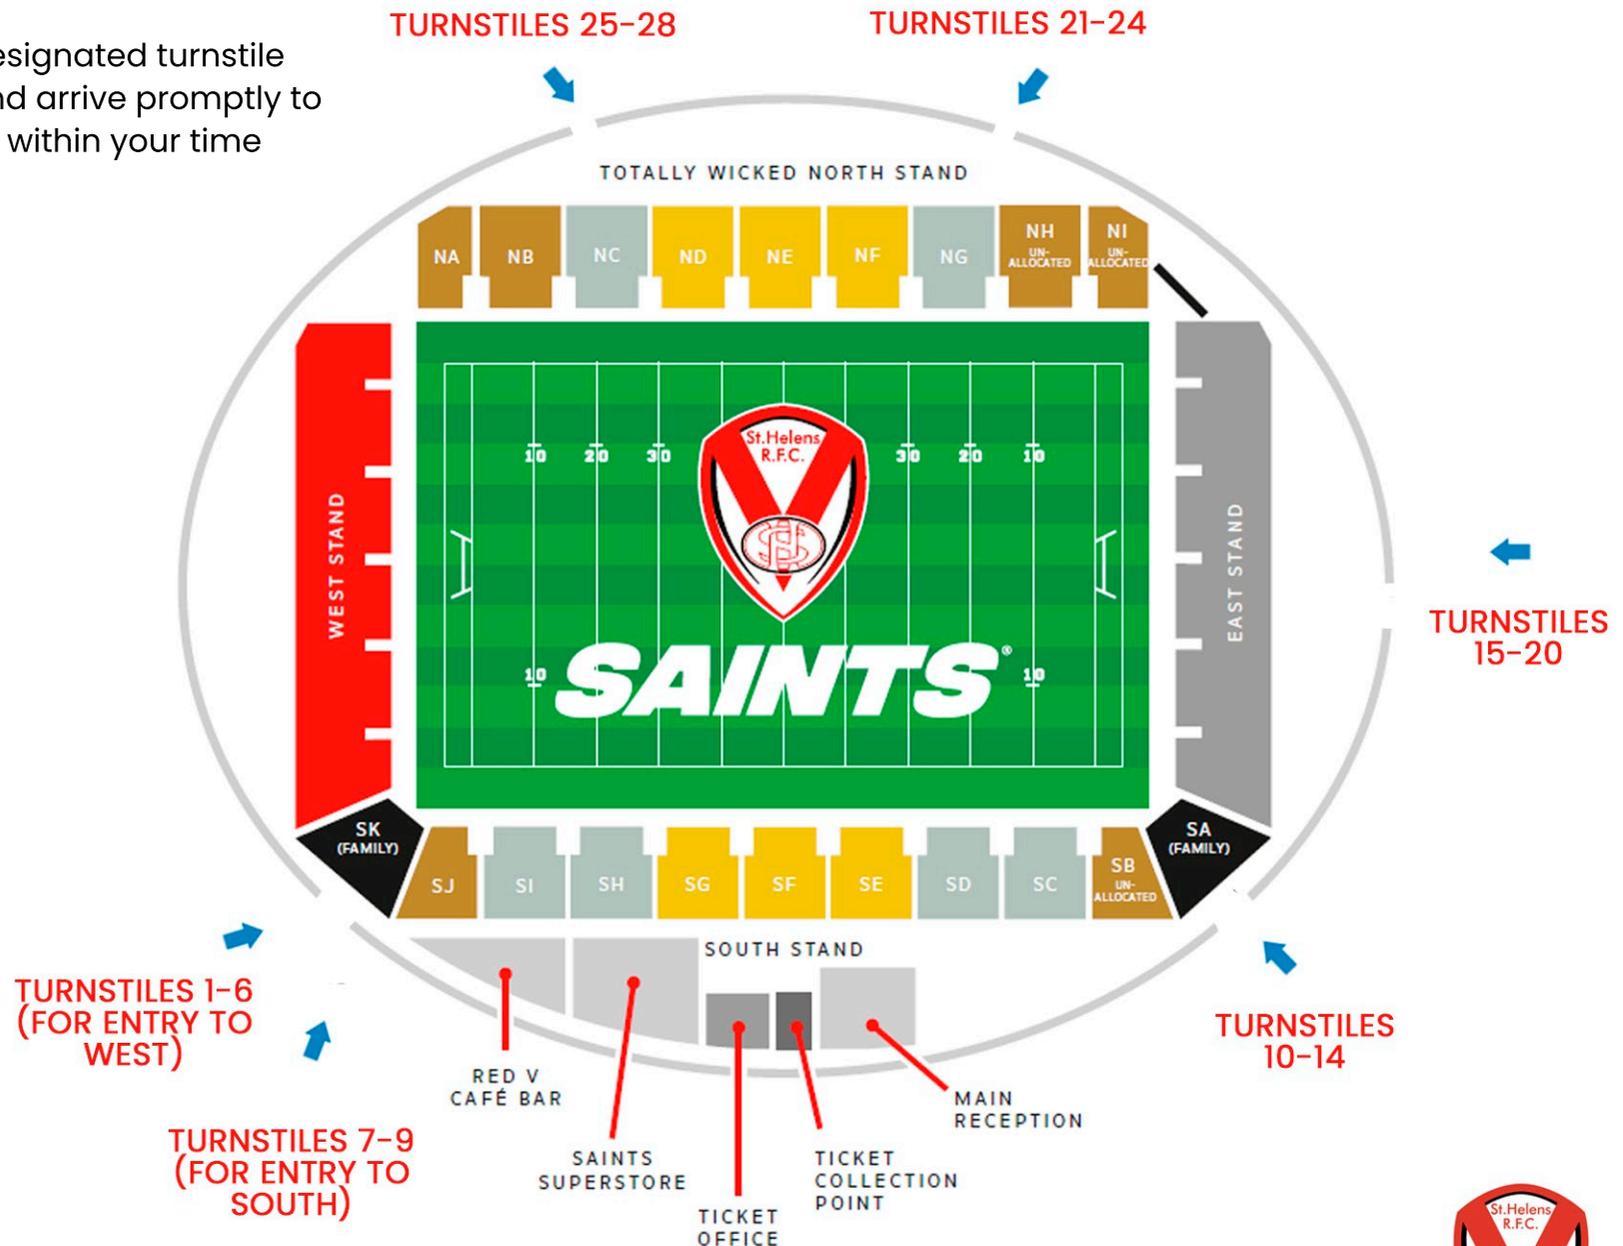

STADIUM & TURNSTILE MAP

Please familiarise yourself with your designated turnstile entry point in advance of the fixture and arrive promptly to gain access to your allocated position within your time window.

Have your Covid Pass ready to display to our stewards as you approach your turnstile.
